2011 Season

Dear: _____

Long Beach Pop Warner Football and Cheer instills life long values of teamwork, dedication and a superior work ethic on the playing field, to inspire the ideals of health, citizenship and character. We offer youth the opportunity to participate in competitive football and cheer and assist in development of skills in sportsmanship, fair play and fellowship.

In an effort to raise needed funds in the commitment of the safety and welfare of our young athletes, we are requesting financial support that will go directly to league equipment and improvements within the league. There are several levels to this giving opportunity and we appreciate your support. This will tell all of our players and their families that it was you who invested in their futures.
