

CONGRATULATIONS

Alyce Walker!

Athens, Greece - More than 400 women leaders worldwide, recognized for their expertise and accomplishments in research, public policy, economics, education, government and business gathered recently in Athens, Greece to build global alliances and share their vision at the 4th Annual Global Women's Forum.

"Our leader, Broker/Owner, Alyce Walker-Poriotis, was one of 25 of these leaders especially recognized by the Euro-American Women's Council as women who create permission, exercise power, innovate change, and make a difference to our world.

The agents, assistants, and staff of RE/MAX MASTER'S ASSOCIATES wish to congratulate you for being recognized by the Euro-American Women's Council. Likewise, we applaud your being named as a global council leader. Your record stands on its own. You have worked tirelessly to build our company. Since its birth in 1991, you have grown RE/MAX Masters from a fledging office with 6 agents to a dynamic company with 55 agents.

You have never failed in your commitment to offer honest, professional, and caring service to all that walk through your doors. You have earned a reputation within the community that allows everyone associated with RE/MAX Masters to hold their heads up with pride. Alyce, you are a true professional with a tremendous spirit. We salute you and we thank you!"
