

February 7th, 2011

Dear Race Participants and Supporters:

On behalf of the patients and caregivers who benefit from the programs offered by Brain Tumour Foundation of Canada, we would like to express our heartfelt thanks and sincere appreciation for your involvement in the Banff-Jasper Relay. This incredible team relay race is held in memory of Garth Huck who unfortunately passed away from a brain tumour. Since then, the event has paid tribute to his courage by providing a portion of the proceeds from the event to support patients affected by this devastating disease. In 2010, over \$5,000 was raised and donated to Brain Tumour Foundation of Canada on his behalf.

Brain Tumour Foundation of Canada is a national not-for-profit organization that is dedicated to reaching every Canadian affected by a brain tumour through support, education, information and support. It is estimated that there are 55,000 Canadians living with a brain tumour and 10,000 more will be newly diagnosed this year.

Your participation in the Banff-Jasper Relay, whether as a participant, sponsor or supporter, will contribute to the event's success and its ongoing support of those affected by a brain tumour. If you would like to learn more about how you can make a contribution and make a difference, please do not hesitate to contact Eileen Quigg, Events Officer at Brain Tumour Foundation of Canada at 1-800-265-5106, extension 224 or by e-mail at equigg@braintumour.ca.

Together, we can Imagine a Cure!

Yours sincerely,

A handwritten signature in black ink that reads "Susan Marshall".

Susan Marshall
