We hope everyone enjoyed Spring Break. April is in sight which means we have only two months left and the school year will be history. Many already have eyes on summer vacation and summer fun. But first there is work to be done. We have begun the planning for next school year. If your child will be returning to Sacred Heart, please complete the online registration. Some grade levels are at capacity or very near capacity. We are also working on the end of the year activities and bringing the school year to a close. It will be a busy April and May!

Thank you for your cooperation with the standardized testing during the last week of March. Results should be in around the end of April and those results will be sent home with students in an envelope addressed to the parent.

This Thursday, March 23 & Friday, March 24 is Parent/Teacher/Student Conferences. This last quarter will really fly by, so be prepared. As always, continue to check Gradelink for your child’s progress and do not hesitate to contact a teacher if you have concerns.

Blessings,
Ms. Susan Harris, M.Ed.
