I understand that completing this Expression of Interest form does not automatically secure a placement in any advertised program, and accordingly all student applications need to be formally supported by the relevant school authority. (See Below)

Signature of student Date

I acknowledge that my son/daughter is interested in undertaking an Integrated School-based Apprenticeship and that I/we support his/her endeavours.

Signature of Parent/Guardian Date

Please complete and return this form to your Career/Pathways / S-bA Coordinator as soon as possible

Please Note: Upon receipt of this Expression of Interest form by the School it is the responsibility of the relevant School representative to decide if the student's application can be supported. Following this support, the School representative should then advise the student of this decision in order for them to formally apply for the S-bA position.

Formal Application Forms provided by Employers will also contain "Endorsed by School representative" and "Endorsed by Parent/Guardian" sections to be signed and dated by both parties prior to any application being lodged.
