

JOIN THE ST. CLOUD FRIENDS OF THE LIBRARY!

We are an all volunteer organization. Over forty volunteers sort books, shelve books, and staff the Friends' Bookstore six days per week. Volunteers staff the annual Brat Sale and assist with children's programs. Memberships, donations and profits from the Friends' Bookstore are used to purchase new books, CD's and sponsor programs. Many library patrons enjoyed the Black Bird Eight family concert. This summer 788 children completed the children's summer reading program. Join the Friends to help support the library.
