Where there are 8 or less entries to a Relay event, there will be no requirement to swim heats for that event. Instead, the event will be run as a straight final (in the evening). In such circumstances School and Club Officials will be notified. In the event of a late withdrawal we may need to text you notifying a change of programme. Please ensure we have a mobile number we can text.

If you decide you will not be swimming an event after entries close, please notify the organisers as soon as possible so they can re-seed heats.
