INFORMATION: Description should be clear and concise. Details supplied should be adequate for the viewer to gain an understanding and appreciation of the individual specimens correctly as collector's objects. Degree of satisfaction to a numismatist. Title should be prominent and concise. Introductory information should make clear the scope and objective of the exhibit:

Research	10																								
Imparting information	20																								
Clear and concise	10																								

PRESENTATION: Color, harmony, arrangement of parts should create a generally pleasing display. Relation of specimens, information, decoration, non-numismatic objects, gimmicks to each other, to achieve a pleasing total effect. Does it make you stop and examine it? Is it "different?"

Eye Appeal	10																								
Neatness	10																								
Originality	10																								

NUMISMATIC MATERIAL: The judges are guided by the exhibitor's chosen title and introduction. Points awarded according to availability of specimens, market availability of condition and rarity of material.

Condition	10																								
Rarity	5																								

SPECIAL: Awarded purely at the Judge's discretion, for example, for something of noteworthiness not covered above, or for special achievement by a junior exhibitor.

Judge's Discretion	15
