Home: 03 9395 6681

**Venue:** Featherbrook Oval (Home Game)

**Time:** **8.30am** for 9.00am kick-off

# Round 9: Match Reports

## JOEY LIME

### Point Cook 1 – 4 Cairnlea FC

Well done to everyone today for testing out the undefeated Cairnlea team.

P.C. Lime has come along way since we played this team in round 1, receiving some encouragement from the Cairnlea coach who said how well the team played, and how much improved we are since our previous encounter.

Once again Oscar had a fine game in goal and was beaten by some long range 'thunderbolts' which were unstoppable. James Serafingos had a great game in central defence and stopped many waves of attack. Congratulations to Jonathon Velevski who got onto the score sheet for his 1<sup>st</sup> goal of the season, after following up a free kick from Lucas which rebounded off the post for Jonathon to smash it home!

P.C Lime were trailing by 0-3 at halftime but were certainly still in the game, as Cairnlea's goals were all long range efforts, they struggled to get by our solid defence held by Gerald, Jackson, Nathan and Nicholas.

A great attitude was shown by all and we had the better of the second half, being very unlucky to only score the 1 goal as we had several misses.

This result shows we are heading in the right direction, with continued improvement we should be more than a challenge for whoever we come up against.

## JOEY BLUE

### Point Cook 1 – 3 Spring Hills FC2

Football can be a cruel game sometimes. ....without a doubt we were the better team but two deflected goals, one from a Noah blocked tackle on the halfway line, put us behind the eight-ball and we simply couldn't put the ball in the back of the net to recover from a 3-0 half-time scoreline. Despite being the better side individually, we did not play well as a team at all. It wasn't until the final five minutes of the game that we actually strung some passes together - prior to that, we fell back in to the old bad habits of dribbling with the ball with no real purpose, kicking the ball anywhere and not defending very well. Our second half was much better and I don't think the other side got in to our half very much at all, although their first goal was a good strike.

Not as good as ours though. ....Aiden gathered the ball just inside his own half and, after beating a player, absolutely smacked the ball from the sideline in to the roof of the net...it was a world class goal and I hope we can produce a few more of those before the end of the season.

All in all, not a great performance from the boys but Andrew Van B in goals was fantastic and, with five minutes of practice before kick-off, his kick-out's were excellent. None of the goals were his fault and he should be proud of his turn in goals although I think he is keen to get back up front !

## ROO'S

### Point Cook 3 – 3 Werribee City SC

**Goals:** Henry x 1, Connor x 1, Noah x 1

Our first rematch of the season ended with similar results to our first game against Werribee City.

The Roo's played a very strong first half and all players demonstrated great skill, team work and spirit all the way from goals to defence and through to the midfield and forwards leading to a dominating half time score of a 3 – nil lead.

The second half saw Werribee City pick up pace and come back fighting to bring the score back even. While the Roo's lost a bit of structure against a determined Werribee City and were unable to sink a goal, as a whole team they picked up on their defence and managed to prevent Werribee from taking the lead.

Well played and a good job done by all 😊

*Special thank you* to Cooper's parents, **Jono and Melissa** for providing the oranges and lollipops 😊
