Andrew Exton: 0411 067 112

Kangaroo's – Coaches

Linda Quinton: 0437 632 947
Michael Spencer: 0409 205 892
Home: 03 9395 6681

JOEY LIME: Round 13 Match Report

Point Cook 2 – 3 Satellite City United

They say that 2-0 is a dangerous score in Football, and thus it proved for the Joey's Lime team. After a great first half where both teams played in great spirit, and great effort, Satellite with greater options on the bench went on to win the match 3 goals to 2. The match was a real showcase of the improvement made by all our team members this year. In this game we were down on numbers, but it gave a chance to the rest of the team to showcase their talents with more game time. With Oscar in defence, Tess in the midfield and Gerald James and Nathan all players really demonstrated how much they have improved and how well they work as a team. All those at the game may have been a little disappointed with the final result, but walked away so impressed with the effort enthusiasm, and effort of the team, with a similar effort this week Green Gully could be in for a real surprise this week

JOEY BLUE: Round 13 Match Report

Point Cook 0 – 4 St Albans Saints

The logistics of getting 13-14 players on and off the park with equal playing time continues to knock the kids around as they don't really get a chance to settle in to the game. We played much better than we have for several games and dominated the first half. We should have had a couple of goals but couldn't finish off our chances and ultimately paid the price when St Albans got a lucky goal that squeezed between Angelo and Callum at the near goalpost. We still continued to outplay St Albans until they got a second goal, after which the boys lost a bit of momentum. I have said it before but I do get annoyed by coaches who don't encourage their young players to stay on-side and we suffered the last two goals from offside players "cheating" in blatantly offside positions. We will not play that style of game.

Great performance from Angelo in his first appearance on the goalkeeping roster. With some brief pre-game instruction, his goalkick's were excellent and it really provided the platform for us to dominate St Albans – well done Tiger !

Everyone in the team showed lots of enthusiasm to win possession back and, generally, everyone played well and contributed. Special mention must go to Noah who continues to be a standout in defence. I don't think any player has been able to get past him in 3-4 weeks and, once his

distribution/passing comes to him, he will be an even greater asset to the side. One passing movement involving KK to Aaron to Andrew nearly resulted in a goal for us and, I will continue to reinforce with the kids that once the concept of passing and movement "clicks", we will score more goals.

Well played Lads !

ROO'S: Round 13 Match Report

Point Cook 5 – 0 Sydenham Park SC

Goals: Gabe x1, Lucas x 1, Noah x 1, Kai x 1, Henry x 1

This week saw us take on Sydenham Park, the team we put 17 goals past last time we played them. No one benefits from a game like that, least of which the poor kids who get flogged. So we decided to mix our team around and play everyone in a position they were not used to or suited to. While this resulted in us not being as potent as a TEAM, individually you all played very well.

Defensively, we were as rock solid as ever with Cooper in goals and Henry and Noah patrolling the back third until late in the game when we took the shackles off and let them go forward.

Damian, Keith, Lucas and Harrison all made the most of their time out of the backline for a change, alternating between midfield and up front. They tackled hard when they had to and made some promising attacking raids on Sydenham's goal.

Gabe and Kai had free reign to move around the park as they wanted and wore themselves out getting forward when we had the ball, but dropping back when we needed to defend.

Overall boys, we thought you played brilliantly. Although we still won comfortably in the end, you made it a competitive game. Sydenham had never gone to half time only one nil down, and this showed in the enthusiasm they displayed in the second half. Their coach was extremely appreciative of the sportsmanship you showed and you should all be very proud, not only in your efforts to win the game, but just as importantly by winning without humiliating the other team.

So well done boys, you did the Point Cook Soccer Club proud 😊
