Kangaroo's – Coaches

Linda Quinton: 0420 903 199

Michael Spencer: 0409 205 892

Home: 03 9395 6681

Round 9: Joey Lime – Match Report

Point Cook 2 – 0 Keilor Park SC

Well done Joey Lime for all playing to your potential this week and for turning around the performance from the past few games. All the talks and practice came to fruition with everyone in the team 'switched on' from the first kick until the end of the game.

We as Coaches have repetitively stated the importance of starting the game well. Today we proved if we go into the game with a positive attitude we will give ourselves the best chance of playing well.

Alex Simonsen was the captain for the day and everyone helped send Alex off on a great note for his last game for Joey Lime as his family is leaving to return to Denmark.

Special mention goes to Oscar who had a great game in goal and well done to Lucas for scoring both goals.

For everyone else it was pleasing to see you all played your part for the team, and it all added up to making this one of the best games for the season so far.

Just remember how you train and warm up on game day is what you will take out onto the pitch, keep focused and enjoy.

Fundraising News:

- **Family night 28th Vivere Family and Friends welcome.**
- **Makeup night 5th July at 161 HairRoom, tips on makeup applications**
- **Crispy creamed donuts – order forms have been distributed.**

Round 9: Joey Blue – Match Report

Point Cook 1 – 3 Sunshine George Cross

I would have to say that this was our best performance of the year against a side that is undefeated. Noah was fantastic as our goalkeeper and his strong kicks set up play on every occasion and allowed us to get forward in to the opponent's half. I'm almost inclined to keep him as our goalie for every game!

Our enthusiasm was brilliant....every player put in their best effort to win back possession and, if we had just displayed some better finishing, we would have beaten this team. Unfortunately, at 1-1, despite dominating possession and not letting Sunshine out of their half, as we pushed for a winning goal, we left ourselves a bit exposed at the back and conceded two goals. The last was a great volley by probably their best player and left Noah unsighted and unable to do anything about it.

Yonathon had his "normal" dominant performance but he was matched in ground cover by Aidan this week. Aidan's speed and enthusiasm, along with a great shot, is really starting to shine and he will continue to be a strong player for us. Nicholas had a great game at the back (in Noah's normal spot) and made an outstanding run late in the game beating 2-3 players with some fantastic dribbling skill but just couldn't find that final pass to a team-mate so we could convert his fine work in to a goal.

We have really turned around our performance and if we can link our enthusiasm with some good inter-passing and positional play, this team will be well on their way to beating most sides we face.

Round 9: Roo's Match Report

Point Cook 2 – 2 Western Eagles

Goals: Henry x 1, Gabe x 1

The rain started drizzling just on kick off, but it didn't stop either team from bringing out some well skilled play.

In the first half the Roo's showed some great positional play and started to make good decisions about whether to pass or bring the ball forward. Using some of the skills learnt at the last few training sessions we also saw some very impressive ball control and heading from the whole team. We played a controlled and confident first half and went into the break nil all.

The second half saw two quick goals scored by the Western Eagles, the Roo's not willing to give in, fought back hard to even the score and prevent the opposition from finding the net again.

Each and every week the team works hard to bring out a higher level of skill, and while we didn't walk away with the win this time the boys played strong and were determined not to be beaten.

We are halfway through the season now, and everyone should be very proud of the progress they have made not only as a team but also how much they have each developed as individual soccer players.

A big *thank you* to Cooper's parents, **Jono and Melissa** for providing the oranges and lollipops for the game and to Noah's dad, **Jimmy** for taking the team through a ball control session at training last week.

ROO'S HALF SEASON STATISTICS:

Games Played: 9
Games Won: 6
Games Drew: 2
Games Lost: 1

Goals Scored: 39
Goals Conceded: 13
