Summer Recreational Program

U6 Program

This is an extension or the next step in the player's soccer development. This program is designed with the player's cognitive, psychomotor, and social development in mind.

Players will play some fun soccer games for the first 15-20 minutes of the hour. Players will then be divided into groups of three, and will then be assigned a field and play 3v3. They will play four 8 minute quarters, with a short break in between each quarter.

There will be no referees and no scores or standings will be kept. Coaches (facilitators) will help organize the games as they are played.

U8 Program

In this age group players will play 4v4 with no goalkeepers. This is a 10 team division with each team having about 7-8 players on each team. The game will consist of four 12 minute quarters. There will be no referees and no scores or standings will be kept. Coaches (facilitators) will help organize the games as they are played.

- We are looking for coaches/facilitators in every age group. If you would like to help out please contact Dave Kreger at 713-3240.
- Please arrive at least 15 minutes early for your game, so our games can begin on time.
