**FAIR DATES** - AUGUST 3 - 6, 2011

**ENTRY SCHEDULE** - See inside front cover

**EXHIBIT RELEASE** - All livestock will be released at 9 p.m. on Saturday, August 6. All other exhibits will be released at 10 p.m. on Saturday, August 6 unless permission has been obtained from the Department Superintendent.

All entries will be under the care and control of the Rush County Agricultural and Fair Association, Inc. (RCAFA) and while due care and caution will be exercised for their safe keeping, neither the RCAFA, its officers, agents or employees will be responsible in any case of loss, injury or damage that may occur. The management will adequately police the grounds, but the RCAFA will not be responsible for loss, theft or damage of personal property on the grounds. Correspondence on all matters pertaining to the fair will receive prompt attention from either the secretary or department superintendent(s).

In case of inclement weather, events scheduled for the day may be postponed and/or cancelled and premiums may be prorated at the discretion of RCAFA.

RCAFA reserves the sole and absolute right to construe its own rules and regulations and to determine arbitrarily all matters of rule.

**NO DOGS ARE ALLOWED ON THE FAIR GROUNDS** except service dogs or those entered in competition.

## **Special Awards**

RCAFA does allow the donation of special awards in addition to the general premiums awarded in Open Class and 4-H competitions. All special award donations must be approved by RCAFA no later than the May meeting of the current year. Special awards not approved by the May meeting cannot be awarded in the current year and will not be considered until the following year. Special awards must be presented at the conclusion of the event either by the donor or a designated representative unless prior approval is given to RCAFA. See individual departments for special awards and description.

## **Men's Slow Pitch Softball**

The ball diamonds at the Fairgrounds will be available for Men's Slow Pitch Softball on Saturday and Sunday. On Saturday, the games must be over in time so that the ball field parking lot is vacated and empty by 2:30 p.m. This is necessary so that car race participants can start arriving through the ballpark parking area for Saturday night races.
