CHAIRMAN OF THE GWINNETT COUNTY BOARD OF COMMISSIONERS**

**Suwanee, GA** - Several state and local Tea Party leaders have announced their support for Charlotte Nash, candidate for Chairman of the Gwinnett County Board of Commissioners.

Julianne Thompson, Georgia's State Coordinator of Tea Party Patriots, the largest Tea Party Organization in America, with over 3,000 local Tea Parties under the national organization, issued the following statement:

***"It is without reservation that I support Charlotte Nash for Chairman of the Gwinnett County Board of Commissioners. We are at a critical time in our County, and we need strong, fiscally responsible leadership with extensive knowledge of the Gwinnett County budget process. I have known Charlotte for years, and served on Engage Gwinnett with her. I have seen first-hand that she has the experience and the strong commitment to ethics to get the job done with professionalism and personal integrity."***

Debbie Dooley, Co-Founder of the Atlanta Tea Party and one of the original 22 people that founded the Tea Party movement in 2009 issued the following statement:

***I am happy to announce my support for Charlotte Nash for Chairman of the Gwinnett Board of Commissioners. Charlotte is the only candidate that can jump right in without an adjustment period and begin trying to solve some of the issues Gwinnett is facing. Charlotte is committed to our shared core values of fiscal responsibility, limited government, and free markets.***

Steve Ramey, Chairman of the Founding Fathers Tea Party in Gwinnett reaffirmed his previously-issued endorsement:

***"I feel Charlotte Nash is the most qualified candidate with her experience and knowledge gained during the 27 years she worked for Gwinnett County," Ramey wrote. "At this critical stage we do not need a learning curve that might delay meaningful decisions facing Gwinnett County now."***
