REBELS AUTO CLUB NEWSLETTER

FEBRUARY 2012

President's Message

It was good to see a nice crowd at the Rebels' Christmas party. Thanks to all that helped organize the event. I think everyone enjoyed the food and gift exchange. The only thing missing was a little snow on the ground.

February will be kind of a slow month for club activities. It's a good time for us to start to get ready for Spring. March will bring the swap meet and World of Wheels in Omaha. We are still in need of volunteers to help with parking. Don't forget to sign up at the next meeting. The swap meet is an opportunity for the club to make good money. You'll also be able to pick up your new book for 2012. It lists all the car shows and events for the year. Then, you can mosey around and look for bargains for your ride. If you want to show your car at World of Wheels, talk to Jim or Scott to get signed up. The Rebels always brings home several awards.

We had a good car show meeting in January. We are still in need of volunteers for all sorts of jobs. If you are interested in volunteering, contact Dave and let him know what you would like to do. We can always use judges and we will be holding a class on how to judge. We welcome all members to participate in the show and help us to find people/businesses to donate items for the goody bags and door prizes.

Let's all jump in and make this a fun and exciting year for the Rebels! Hope to see you on the road soon!

THANK YOU

Everyone had such a great time at the Knoll's for the Holiday Party! The decorations were fabulous and the gift exchange had lots of 'stealing' to make it exciting. The event was so well organized. The Knoll's always has great food, and who could beat socializing with Rebel friends?

Coordinators Report

Well, where did the month go? Here we are getting ready to start February, which means the car show season is right around the corner. I need to first off thank the members that help make this years Christmas party a success. Thanks again to all that stepped up since I could not be there since I had to take care of Lisa since she got the flu.

I am teaming up with Eric Teply and friends for a Benefit to help raise money for Nick & Andrea Brown's medical expenses since Nick fell from a horse and is unable to work and Andrea is out on maternity leave. Eric thought it would be the right thing to do. So any of you Rebels that like to cook he could use some volunteers for chili and rolls. Please Contact Eric Teply (402) 560-3785 for further information.

The registrations for World of Wheels need to be turn in to me no later than the 15th of Feb. so that we can get a good location like last year. If there are any one of you that would like to register for this event please contact me I have registration forms.

We are still in need for volunteers for the swap meets early shifts and the later shifts. If you would like to help out please contact myself or Boyd, We actually need 6 people per group per shift. We have most of the early shifts full but we need to get more people for the 7 till done shift.

If there are any rebels that have a business that would like to give stuff away for our car show please contact myself or Dave. Every little bit helps.
