President's Message

Hello Rebels,

Sorry I could not make the last meeting, the company I work for had a meet-and-greet and offered a time for employees and their spouses to meet one another. We also had the opportunity to meet our counterpart from western Nebraska. However, I know you were in good hands with the V.P.

I would like to pass along a message of thanks from the staff at Lancaster Rehabilitation Center. Our daughter, Kelly, works at LRC and wanted the Rebels to know how much the residents appreciated the car show last month. One of the residents at LRC was very disappointed he could not attend the Rebels show at Pioneers Park, so this was a wonderful surprise for him. Many residents do not have the opportunity to get out much and this gave them something to look forward to and enjoy with their peers.

Don't forget we have cone races over Labor Day weekend, please come out and help as this is a great money-maker for our club.

Hope to see you all at the next meeting,

Your Prez,
Mike Brown
