Trigger Spray

Ultimate Stone Sealer- is designed for deep penetration and *immediate* application on stone, grout, masonry and concrete. Forever stone sealers have been either water based or solvent based. Each type had its benefits and the consumer was forced to decide which they preferred and live with the results...until now. New Ultimate Stone Sealer now includes the best benefits from both formulas... an industry first! This **New AC** Technology allows for an extremely low residue formula that is easier and faster to apply than traditional penetrating sealers, thus eliminating any application problems that occur with all other sealers today. It protects against both oil and water based stains better than any product on the market while still allowing the substrate to breathe.

Safety, Effectiveness and Durability all in one!

- Unrivalled stain protection
- Low VOC's (55 g/L)
- Low residue

Products available in Quart Triggers, Gallons, 2.5 Gallon, 5 Gallon

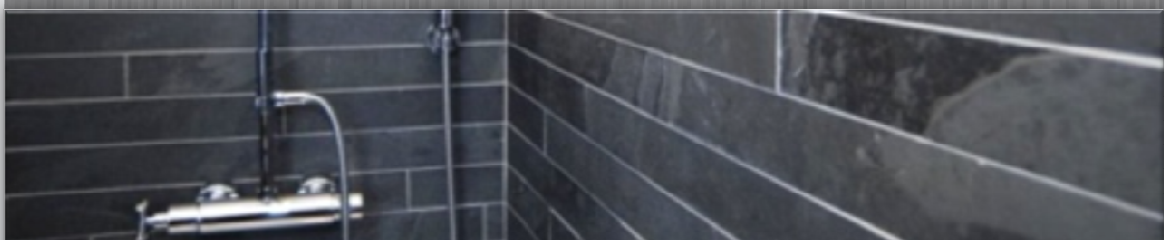

Ultimate Stone Enhance & Seal seals and protects various types of porous stone such as slate, flagstone, and sandstone while intensifying the colors and "depth" of the stone. This *New AC Technology* is a low VOC formula designed for deep penetration and protection against both oil and water based stains on porous stone, masonry, grout, concrete and more. This environmentally friendly formula allows for a fast and easy application without any harsh odors and leaves a beautiful enhanced finish on all types of stones.

Quart Trigger Sprayers, Gallons, 2.5 Gallon, 5 Gallon

Ultimate "Power Shot" Stone & Grout Sealer- 25 oz. concentrate makes up to **3** gallons of stone and grout sealer. *New AC Technology* now makes it possible to carry 3 gallons of sealer in your front pocket!! Yes, just add this Ultimate "Power Shot" to clean water and mix, shake or stir and you now have enough sealer to seal up to 7,500 square feet of stone and grout. Very economical to ship, store and carry to the job.

25 oz. of concentrate

Ultimate Stain Stop Grout Add Mix- Protect your sanded and unsanded grout by using Ultimate Stain Stop Grout Add Mix to mix and protect in one easy step. Ultimate Stain Stops VOC-Compliant formula replaces water in your mixture. Sanded Portland Cement Grout: Use 70 ounces of Ultimate Stain Stop to 25 pounds of grout.

Sanded- 70 oz. and 27 oz. Unsanded- 45 oz.

Ultimate Granite Sealer- a low VOC formula designed specifically for deep penetration on your granite and marble countertops, walls, showers, backsplashes, tabletops and more. This **New AC** Technology protects against oil and water based stains and is great for both indoor and outdoor applications. It is easy to use, non-yellowing, long-lasting, and will not change the appearance of the surface. This convenient spray bottle allows for easy application with very little waste, simply spray entire surface with the sealer and easily wipe/buff into your granite or marble a few minutes later.

Quart Trigger Sprayer and Gallons

Ultimate Travertine Seal- This *New AC* Technology is a low VOC formula designed for deep penetration and protection against both oil and water based stains. It conditions and smooth's the travertine surface and brings out the natural beauty of the stone while leaving a low to medium sheen finish. Apply light coats in small workable areas and buff into travertine immediately. Continue this process for entire floor.

Quart Trigger Sprayers, Gallons, 2.5 Gallon, 5 Gallon

Ultimate Granite Clean & Seal- *New AC* Technology allows for this unmatched performance of granite cleaner and sealer in-1! Simply spray and wipe down your countertops and let Ultimate Granite Clean & Seal do its job. It has a penetrating "All Natural" cleaning action blended with the best performing granite sealer that quickly cleans and re-seals with every use. Removes grease, oil, dirt, fingerprints, smudges & streaks. Just spray on a fine mist and promptly wipe clean. Polish/buff surface with a clean dry cloth.

Quart Trigger Sprayer and Gallons

Ultimate High Gloss- This **New AC** Technology is a low VOC formula designed to leave a high gloss topical protective coating that creates a durable, crystal clear finish on slate, saltillo, pavers and more. Ultimate High Gloss has the easiest spray on or pad on application in the industry, is self-leveling and protects against oil and water-based stains.

Quarts, Gallons, 2.5 Gallon, 5 Gallon

Ultimate Grout Easy- This **New AC** Technology is a VOC Free formula designed to prevent grout from staining when applied prior to grouting and makes for an effortless grout clean. Ultimate Grout Easy is excellent for use on natural stone, porous tile, ceramic, porcelain, limestone, flagstone, concrete block and pavers, saltillo, brick, slate, stucco and more. Ultimate Grout Easy is ready for grouting in as little as 30 minutes after applying and comes off while you grout unlike others that need to be acid washed off.

Quarts, Gallons, 2.5 Gallon, 5 Gallon

Ultimate Slip Stop *Anti-Slip Tub & Tile Surface Treatment*- is a new water based technology micron engraving solution that when used increases the coefficient of friction on wet bathtub and shower floors, wet ceramic and porcelain floor tiles, wet natural stone and concrete. Apply anywhere there's a possibility of a slip fall accident such as showers, tubs, entry ways, kitchens, bathrooms, lobby's, pool decks, locker rooms, in your home or business... Anywhere you want to protect against a "wet" slip fall accident. When wet, the treated surfaces will exceed ADA, ASTM, OSHA and DIN slip fall safety codes in less than ten minutes greatly reducing the chance of slips/falls. Ultimate Slip Stop is safe and easy to use with no visual surface changes and provides protection for children, adults and senior citizens against dangerous falls.

Quarts, Gallons, 2.5 Gallon, 5 Gallon

Ultimate Home & Floor Protect The need for outdated and toxic chemicals to maintain a microbe free surface is no longer required. In fact, normal maintenance for dirt and grime can be done with plain water and a pH Neutral Cleaner or other non-toxic, environmentally safe products. Once a surface is treated with Ultimate Home & Floor Protect Z-71 it becomes easier to clean, hard water spots will easily wipe off and it works 24/7 to inhibit the growth of microbes on the surface without chemicals. What sets Ultimate Home & Floor Protect Z-71 apart is the **New AC** Technology, once dried it begins its effectiveness. It is not a disinfectant; it's a surface treatment inhibitor that works round the clock. as long as the surface remains intact. And it isn't a leaching Poison or Biocide like so many other products that work against microbes. Because of its unique mode of action and inability to migrate from a treated surface, Ultimate Home & Floor Protect is the obvious choice to minimize environmental contamination and the development of resistant organisms.

Quart Trigger Sprayer and Gallons

Ultimate Acid Free Remove & Seal *grout haze remover and sealer*- Now you can clean the grout haze off your tile or stone and seal it at the same time... an industry first! Due to our **New AC** Technology you will no longer have to do an extra step to get your installation sealed, just clean as you normally would and by adding our Ultimate Remove & Seal grout haze remover and sealer to your cleaning water you will end up with a beautifully cleaned **AND** sealed surface. Job well done!

32 oz. concentrate

Ultimate Cal Clean- is a safe, non-toxic, acid free cleaner that due to **New AC** Technology will safely remove hard water spots, calcium build up and efflorescence from all kinds of surfaces such as glass shower doors, sinks, faucets, grout, cement block, natural stone and more.

Quart Trigger Sprayer and Gallons

Ultimate Floor & More Cleaner- is the only cleaner you'll ever need; it's a heavy duty, environmentally safe true multi-purpose cleaner and degreaser that can be a pH neutral cleaner a grout cleaner and a stone cleaner all in one! Ultimate Floor & More Cleaner is a non-caustic, non-acidic cleaner and degreaser that effectively removes and breaks-down oil and grease without damaging floors, appliances, furniture, carpet, fabric, paint, wood, metals, glass, countertops, showers, tubs, concrete, trash cans, and more. It contains no harmful chemicals or perfumes.

100% non-toxic, biodegradable and SAFE!...

Ultimate Wood Clean- A laminate & hardwood spray cleaner is packaged in a 32 oz. spray bottle. With **New AC** Technology Ultimate Wood Clean has an "All Natural" cleaning action that leaves all laminate and hardwood floors looking like new without leaving any residue. Use as a daily cleaner for light or heavy soiling. Great for use with micro-fiber mops and cloths!

Quart Trigger Sprayer and Gallon

Inverted Aerosol Grout Sealer is an “anyway valve” aerosol can. It is a VOC compliant, solvent based formula designed for deep penetration into grout. It protects against oil and water based stains while still allowing the surface to breath. The inverted valve allows for application onto both horizontal and vertical surfaces from a standing position.

- *Easy spray-on application*
- **Can be applied immediately after grouting**
- **Fast drying, instant stain protection**
- **Does not change the surface appearance**
- **Spray floors, walls and ceilings**
- **20 Year Protection**
