

AUTO TITHE

First Lutheran Church offers an easy way to give by electronic deduction from your checking or savings account. Draw date options are the 5th and /or the 20th of each month—choose the day(s) that will be most convenient.

You benefit because you don't have to write checks or remember to get cash for offerings. And your gift is made on a regular basis whether you are at worship or away, keeping you current with your giving to the Lord's work at First Lutheran. Each month, your bank statement will show the deduction(s). All you need to do is post them to your check register. As always, the church will provide interim giving statements throughout the year and a final statement at year-end for tax purposes.

A growing number of households use this system, and we want to introduce others to this convenient program. Please call or e-mail the church office 365-1494 and ask for Wendy x109 wendyk@firstlutherancr.org for more information, or to make a member referral to this program.

Thanks for your consideration,
Stewardship Ministry Team

I hereby authorize First Lutheran Church to initiate electronic deductions from my/our account in the amount(s) and date(s) indicated below. I retain the right to change or cancel this authorization at any time by notifying the church office in writing 10 days before the desired change date.
