

Dear Parents:

I am truly grateful to serve at a school with a solid, unchangeable mission. More than ever, the faculty, staff and administrative team of University Christian School is committed to providing a well-balanced, Christian education that meets the academic, spiritual and social needs of each student. In order for our mission to be fully accomplished, we must maintain openness for refinement, seeking excellence in all we do.

In today's world, continual and creative analysis is critical in maintaining a healthy school and ensuring positive progress. If we are to produce graduates who are prepared to continue their academic training and fulfill God's calling on their lives, then deliberate change is to be expected. To this end, I would like to invite you to attend our State-of-the-School Assembly in which we will share with you our vision and plans for the future growth and success of University Christian School.

Thursday, January 14th

Sanctuary of University Baptist Church

6:30 p.m. Light Refreshments in the Foyer / 7:00 p.m. Assembly in the Sanctuary

Please note that after our time of fellowship and refreshments, the program will last exactly one hour and fifteen minutes. Please be certain that one member of your family is present that evening. If you are unable to attend, please appoint someone to take notes on your behalf and pick up your re-enrollment packet.

Enclosed you will find a family information sheet to assist us in updating our student records. Please complete this form and return it on the night of the assembly. We look forward to sharing our vision with you on January 14th. Have a wonderful Christmas holiday!

Serving You,

Heath Nivens
