

2010-2011 Course Selection Form

Earlier in the semester, all students were given a transcript review that included a checklist of courses. The next course in the normal academic progression was highlighted on the checklist. Students should reference their highlighted course checklist as they complete this form. This form is due back to the Guidance Office before a schedule can be completed for the 2010 school year. Check the course you would like to request (this is not a form to request an honors section, just the course in general).

Core Subject Areas:
