### The High Cost of Deception

The problem with being deceived is that you are deceived. Proverbs 16:25 "There is a way that seems right unto a man, but the end are the ways of death." Deception is a deadly disease of our times where men are being drawn away from God's truth. As James 1:14-15 says, "But each one is tempted when he is drawn away by his own desires and enticed, then when desire has conceived, it gives birth to sin; and sin, when it is full-grown, brings forth death." The Word tells us that we will not be tempted beyond what we are able to handle. When we yield to temptations, including attacks with sickness, then we are drawn away by our own desires and thoughts. When you meditate on those wrong thoughts it conceives sin, sickness, bitterness...inside you and brings forth death. James clearly tells us in the next verse, "**Do not be deceived...**" vs 16-17, because

"Every good gift and every perfect gift is from above and comes down from the Father of lights..." We serve a good God who loves you so much that he gave His only Son to take all your sin, sickness, curses, pain, griefs and sorrow. So why are we carrying all these problems? Because we are deceived and do not know our authority in Christ. Look at vs 18 "Of His own will, He brought us forth by the Word of truth..." We are born again of incorruptible seed, through God's word that lives and abides in us forever. The answer for all deception is 'the Word of God' which is to abide in you.

Healing Rooms provide prayer for healing according to the example of Jesus Christ in the New Testament. The ministry operates similar to a walk-in clinic offering healing prayer from teams of trained volunteers during regular hours of operation each week. NO APPOINTMENT is needed during regular hours and NO FEE is charged. The Healing Rooms Ministry is not a church or a counseling service.

## CHRISTIAN CUSS OR CURSE WORDS

What is profanity? The dictionary defines it as blasphemous, obscene language, a swear word or irreligious, irreverent behavior. Any word we speak that is contrary to God's Word is profanity. The Apostle Paul wrote to young Pastor Timothy to "Avoid those who use profane language." Leviticus 18:20 tells us that "Thou shalt not profane the name of the Lord thy God" Many of us say phrases everyday not realizing we are using Christian cuss/curse words. Let's look at some:

### 1. "That is just my nature or I'm only Human"

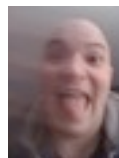

Who's nature are you living in, the flesh or spirit? The flesh nature is full of fear, anger, strife... but 2 Cor. 5:17 tells us, "Therefore if anyone is in Christ, he is a new creature, old things have passed away; behold all things have become new." When we are in Christ, we have a new nature, with a new identity, reconciled with Christ and full of His nature.

2. "One of these Days" Too many people serve the God of the 'Gonna.' They will say, "One of these days, I'm gonna do this or that..." The devil loves a procrastinator. He doesn't care what you believe or intend to do as long as it's always "in the future." God is a 'Now' God. Heb 11:1 says, "Now, Faith is the substance of things hoped for..." Today is the day of Salvation. Today if you will hear my voice...harden not your hearts.

3. "What If" This 'curse word' is motivated by the spirit of fear. 2 Tim. 1:7 says "God has not given us a spirit of fear but love, power and a sound mind." People who sit back and analyze, contemplate and reason are hindered by what their natural senses perceive. They are fretful, full of worry and not trusting God. They will say, "I know what God has said but 'what if.' They are fearful to step out but God is a God of action who 'works with us confirming His word with signs following."

4. "But" When you use this 'curse word' you cancel everything you said before it. This is profanity of unbelief. When the 10 spies came back with a report of the promised land, they began to curse profusely saying "This is awesome But the giants are too great." Joshua & Caleb used Kingdom Language saying "They are our bread." Behind every 'But' is a lack of desire. We need our 'Buts' kicked right out of our vocabulary.

5. "Nobody Understands Me" When we say this, it is really self-pity in our lives. You are really saying that no one will cater to my rebellion, laziness and selfishness. This is actually a 'Martyr complex' and an excuse for not letting God change you. Whining & self-pity is not part of the King's Language

## HEALTH GOD'S WAY

Have you ever heard the saying, "You are what you eat." So I ask you, what are you? Many today are filling their bodies with dead, worthless food full of chemicals and toxins when God clearly told us what to eat that would give us an abundant life. "And out of the ground made the Lord God to grow every tree that is pleasant to the sight and good for food..." Gen. 2:9 and "And God said, behold, I have given you every herb bearing seed (vegetables), which is upon the face of the earth and every tree, which is the fruit of a tree yielding seed; to you it shall be for meat." Gen 1:29. When the body has the right kinds of foods then it is capable of building strong, healthy, vital, vibrant cells and maintaining great health. So what kind of food are we talking about? The best food to consume is in its whole, natural, living, raw state. 'Live

Food' brings LIFE! This is food that is not processed, packaged, canned or frozen without chemical preservatives, coloring agents, flavor enhancers, growth hormones or antibiotics added. Food grown organically without chemical fertilizers, pesticides, herbicides or fungicides is the healthiest. I know what you are thinking. "Impossible!" Well, "with God all things are possible." We just have to change our thinking about food. You don't have to go 'Cold Turkey.' You can still have the things you love now and then but most of your eating should be live food that will give your body life not death. Man's original diet consisted of: Raw vegetables, raw fruits, seeds, grains and nuts. You may be saying, "It sounds nuts to me" but your body will begin to crave what you consume the most. So take the plunge and try some, Live Food!

## KLC UNITY SERVICE

Kingdom Life Center held its first Unity Service of the year on February 12. As the Word of God promises, "He commanded His mighty blessing upon all the people that gathered in the spirit of unity." Several pastors and their congregations came together as "The Church of Salem," to worship, pray and receive the ministry of the Lord. Pastor Joseph and Rossy Maldonado of Adonai Christian Center

of Salem led the service that was shared in both English and Spanish. Rev. Ricardo Ponce delivered a powerful message based on the life of Joseph... "Do you have a dream or goal?" God's people were strongly encouraged and charged to pursue their God-given destiny. The Holy Spirit moved mightily at the end of the service as the

Word of Knowledge flowed and many people received healing and deliverance. We

look forward to our monthly unity services as the Lord continues to strengthen the saints of Salem.

### THE UPRISING

**Our Vision:** The vision is Jesus, obsessively, dangerously, undeniably Jesus. The vision is an army of young people. You see bones, I see an army. We are free from materialism and the constraints of Career obsession. We belong to the nations but aren't bound to any. We are a generation whose holiness hurts the eyes. We have exchanged minimum integrity for reaching for the stars. We embrace the call to be Nazarite and Levite Priests. We scorn only the good and reach for the best. Our love is dangerously pure and simple. This is an army that will lay down its life for the cause. We are not only about the end result, but the journey. Our eyes are fixed on the "Well done my child." We are radical regardless of time of day, week, month or year. We don't need recognition; our recognition is upwards. We are not served, we do the serving. We are the shaping of history in the making. We are revolutionaries dreaming as the foundations are being shaken. The harder the winds are blowing, the tighter our grasp onto the cross. In humility, we kneel at the foot of the cross. An army on its knees, one hand to God and one to man. We are a disciplined and intense army; our bodies are in submission. Formed to live is Christ and to die is gain. Sacrifice fuels the fire for victory. Winners, Martyrs, Who can stop us? Hormones will not hold us back; fear cannot scare us or death kill us. We are a generation who will pray like a dying man, with groaning beyond talking. Watching, waiting, 24/7/365. Whatever it takes we will give. Our strategy is foolish but mountains and walls cannot stop us. Advertisers cannot mold us or Hollywood hold us. Peer pressure is powerless. We pray as if it all depends on God and live as if it all depended on us. Our DNA has a blood transfusion with Jesus. We are the children of another dimension. We are like the wind, children of the spirit. This vision is us, this vision is now. This is the longing of creation itself, the revelation of the children of God. The groaning of the spirit and the very dream of God. My tomorrow is His today, my distant hope is His reality. Our prayers evoke the thunderous Amen from the cloud of witnesses and Christ Himself. He is the original and ultimate winner. Guaranteed! Our sacrifice is a small fraction of the prize. **IT WILL BE WORTH IT ALL!!!**

## NIGHT & DAY PRAYER

Since the beginning of the 1990's, there has been a new emphasis on 24/7 prayer (night-and-day) watches worldwide. This movement, inspired by God, is spreading very rapidly over the whole world. By the middle of the 1990's, there were only a few dozen active 24-hour prayer watches globally. Over the past 10 years this number has grown to literally thousands. The aim of these 24/7 prayer watches is to place **'Watchmen on the Walls'**: to mobilize churches, regions and nations is to come, night and day, to God's throne of grace with praise, worship and intercession. Christians in churches, towns, cities, countries and continents are actively mobilized to stand before God's throne 24 hours a day to praise and worship Him, and to plead for revival in the church and for world evangelism, as well as for the transformation and healing of communities, cities and countries. In this way, the Great Commandment and the Great Commission

are carried out. The idea is to call upon thousands of churches to establish 24-hour prayer watches in their communities. A starting point is to get individual congregations to begin praying for 24 hours at least one day a week and over a period of time, to increase it to more than one day a week. Secondly, churches are encouraged to form a 24/7/365 prayer watch together with other churches to pray for their community, town/city and the country, literally for 24 hours a day. The dream is to establish this concept in every country in the world. A third option for example, is for local churches to take a 7-day or 10 or 21 days of full 24/7 prayer once or twice a year. The aim is to establish prayer watches in every town, city and continent in the world so that a constant stream of prayer for a broken and fallen world will be brought before God's throne.
